NEWSLETTER

DANDENONG HIGH SCHOOL IS AN ENVIRONMENT IN WHICH EVERY STUDENT IS ABLE TO ACHIEVE SUCCESS

PRINCIPALS MESSAGE

SUSAN OGDEN - PRINCIPAL

Term 3 has reached its conclusion in a flurry of activity. Students and Teachers have focused on their learning, with many assessment tasks completed in the final weeks. I and the executive leadership team have begun visiting outstanding Technology facilities across the state as we begin to develop the plans with architects for our new STEM centre. We had a very special visit from The Parliamentary Secretary for Schools, Tim Richardson MP and Minister Williams, Minister for Women who met with me, selected school leaders and teachers, to discuss the school's transition program. This was a fact finding mission for government to identify effective strategies our school uses to promote belonging and connection for their students and recognition of the outstanding way Dandenong High School builds connections with its community.

As some of our families are aware, this is a critical time for our Senior students. This week our VCE students have been completing practice exams, which will be pivotal in providing targeted feedback to guide their final revision program. In these final weeks VCAL students are completing units of work to satisfy completion of their Senior certificate. Year 12 VCE students will need to use their holiday break wisely and ensure they are fully

prepared for their final exams that will begin on Wednesday 30th October. The first three weeks of next term will be pivotal of these students as they begin a targeted revision program. While we are all looking forward to the celebrations in week 3 of next term which include, the Year 12 dinner and final assembly, a challenge for our graduating students and their families will be to maintain a balance between their learning and creating memories.

As always Term 3 brings a number of programs that provide our students with the opportunities to both explore and celebrate our community. Year 9 students participated in City Week which was an incredibly positive experience for them and their teachers. We are proud of the way they worked together, represented the school in the wider community and the depth of learning they achieved.

A highlight for the school community in Term 3 is always our "International Week" celebrations. International week culminated in the cultural concert on Thursday 12th September where students from many of our different nationalities celebrated their cultural heritage through dance and music. As always, a fantastic way to end the Term.

I wish you all a restful holiday and hope you enjoy the warmth of the spring sunshine. I look forward to welcoming you back in Term 4 on Monday 7th October, when on the 21st November we celebrate the 100 year anniversary of the laying of the "School Foundation Stone".

BANKSIA HOUSE

As the Term comes to a close and as I reflect on our work, I am incredibly proud of our achievements. Learning for all remains at the centre, with critical reflection for staff and students strengthening our focus and direction.

Our attendance rates continue to be strong across all year levels, which is incredibly pleasing. We have seen a significant number of students improve their attendance when compared to the same time last year and we are so pleased with each student's improvement. Our focus in Term 4 will shift to not only improving attendance, but, lateness to class and lateness to school so as to further improve student learning outcomes. We would really appreciate the support of our families in reporting student absence and lateness to school which is critically important as communicated by the Department of Education.

I have had the pleasure of engaging in Learning Walks this Term to observe students through the learning process. The aim of the Learning Walks is to determine whether there is clarity and cohesion with what students are learning, why they are learning the concepts they are and to get an understanding of learning success for each child.

Our focus in Term 4 will be to ensure all students have a clear understanding and can explain: What they are learning, Why they are learning, the concepts they are. How they will know they have been successful. Staff will focus on continually improving our understanding through a variety of professional learning opportunities and through extended learning walks next Term.

We are excited about the Term ahead and we look forward to sharing with you the learning growth of all within our community and the impact of our work. Have a safe and happy holiday and enjoy the time with family and friends

CALLISTEMON HOUSE

As we are coming to the end of Term 3, I would like to congratulate our students on a positive end to a busy term. We are very proud of the many achievements of all our students in Term 3.

Our Year 7 students created and performed their Dance routines making their PE teachers proud and demonstrating fantastic team work. Congratulations to our Year 8 students who have participated actively in activities, such as the Youth Leadership Conference, Sports days, the Drama performance and the Dance Showcase. Year 9s had a wonderful experience on City Week. We were extremely lucky to have Mrs. Kolio, Ms. Ly, Mr. Lee and Mr. Duggan, and Ms. Sanjana and Ms. Sima, accompany our students for the week. Each group returned to school excited by what they saw and exhausted from all the walking. Our students displayed the polite and caring behavior that we expect of all our students.

Our Senior students have participated in pathways support and guidance interviews, as well as learning about skills from Careers and the Wellbeing Expo. This information support their future pathway. Our VCAL students have participated in the VCAL Café, work placement and a photography exhibition, as well as experiencing a camp where they showed resilience and team work skills.

Many of our Callistemon students demonstrated effort, teamwork and enthusiasm on the annual Ski Camp held this term. It was fantastic to hear stories of students reaching goals and taking on challenges that they may not normally have undertaken.

Many Callistemon students were also in the District Athletics Team that won the day. Congratulations to Craig C, Ny N, Alisina A, Shagoofa F, Bella S and Hanggama M for their fantastic efforts. Congratulations to our Year 9 and Year 11 students who remain our top attendees in Term 3. We hope that all our Year levels continue to improve their attendance and have another successful Term 4.

DARWINIA HOUSE

Term 3, is always a very busy term and this year was no exception in Darwinia.

A number of Darwinia staff and students are completing the Step-tember challenge to raised money for our charity for 2019 – Cerebral Palsy. The

purpose of the month long event is to get people more active and the challenge is to walk at least 10,000 steps per day – a minimum requirement by health authorities to enable health. Walking is one way to lower blood pressure, maintain or reduce weight and more importantly is a great way to relieve stress.

Year 9 students have just completed their City Week Experience and the reports back from the students indicate they had a fabulous time exploring Melbourne – although many were exhausted by the end of the four days. Those staff and students participating in Step-tember added a lot of steps! One staff member reported they walked nearly 15 kms on the first day!

All students have completed their subject selections for 2020. Thank you to the year 10 parents who attended those important conversation with their child as they embark into a two year program of either VCE or VCAL next year.

Year 12 students are completing final school based assessments in these last weeks of term 3. The students have two weeks of revision in term 4, before week 3 is the start of their final celebrations – a House lunch provided by staff, a year 12 concert, a day at Luna Park and then the final assembly and the formal on the Friday. A very exciting time for our year 12s and also one that makes many students apprehensive - the reality of exams and getting that elusive ATAR to get into their preferred course is finally hitting home.

Our year 7s also recently had an excursion to see the Terracotta Warriors at the National Gallery of Victoria. A wonderful opportunity for the students to experience this space and to see a rare exhibition.

EUCALYPTUS HOUSE

The last few weeks in Eucalyptus have included a flurry of activity as the end of the term nears. Students eagerly prepared dances for the International Week performances which took place on the 13th September and the Dance Showcase which occurred on Wednesday the 11th. Students of years 9, 10, 11 and 12 also attended performances of the musical "Come From Away," students of Drama subjects were particularly interested in seeing a professional live performance and were excited about the event. Two of our year 7 students Una D. and Shasvini G. welcomed the The Parliamentary Secretary for Schools, Tim Richardson MP and Minister Williams, Minister for Women who met at the school to discuss the school's transition programs.

Our Year 9 students have enjoyed their City Week experiences, exploring the sights of the city and exploring its precincts. Students were eager to engage in the days in the city, well done year 9s.

Our year 12 students have been preparing for the practice exams and have been completing their final pieces of coursework. VCAL and VET students are continuing to finalise their outcomes and are looking forward to the celebrations of the end of their time at Dandenong High School. Year 12 students have also been able to participate in masterclasses run by Melbourne University in a number of subjects, many students reporting that the lectures were valuable and effectively supported their learning as they entered their final weeks of classes.

Eucalyptus House will welcome back Ms Katsoulis in Term 4.

FERN HOUSE

Term 3 was all about consolidation of learning in Fern House. Our collective focus is on building on the learning growth from Terms 1&2, and planning for this to continue into 2020.

Our focus on attendance for the year has had great results, with 5 students having perfect 100% attendance so far this year, Yaosun C, Ina I, Danny N, Vihanghi W, Tevi, Y and Sunny Y. We have been talking all year about the importance of being at school, and this is a fantastic sustained effort from these students. I also wanted to take this opportunity to highlight some success of a couple of Fern students. Nadine M, participated in the State Finals of the National History Challenge and did an exceptional job. She displayed not only a depth of knowledge and a great passion for the subject. Zabi Z, had his photography recognized in the Australian Islamic Art Awards ceremony. He was short listed into the Top 5, and impressed everyone with the skills he was able to achieve in his short time studying Media.

As our year 12's finish their practice exam program, and prepare for the real thing, we will be using their success as an example for others, and wish them good luck.

We are looking forward to seeing families of current and future Fern students at the Course Confirmation evening, early in term 4, to finalise preparations for 2020.

GREVILLEA HOUSE

This term, in keeping with our theme of "Getting better at Getting better" our teachers in Grevillea house have focused on learning intentions in every class with every student.

What this has shown us has been that our students are able to articulate their learning and its purpose. We intend to continue to build and provide opportunities for students to have agency over their learning.

We are also focusing a lot of our energy as a house on fund raising for our charity. This year our students in Grevillea house have chosen to support the "Red Cross". Staff and students are working together and running lunchtime activities and other events so that we can maximize raising money and enact the notion of 'giving back' to the community.

One of the highlights of this term for our Grevillea students was winning the "Space Junk" competition that was run by Ecolinc. Eight of our Grevillea 9 students successfully built an astronaut glove that is able support the elimination of space junk. Our students participated in a day of workshops and planning that enabled them to present their findings to a team of Professors from RMIT. We are very proud of their efforts.

As you can see it has been another very busy term. I hope that you all enjoy a safe and restful break and I look forward to term 4 with you all again.

HAKEA HOUSE

Term 3 has once again been a busy and productive time in Hakea House. We have welcomed a number of new students, all of whom have settled in well, making new friends and becoming part of our vibrant and inclusive learning community. Our students have been engaged in their learning which can be seen from the great displays of work that decorate the walls of the House.

Congratulations to our Hakea House Chorales group, achieving first place in the House Choral Competition in the last week of term 2. The students involved put in a great deal of time and effort into planning and rehearsing for the competition. A big thank you to Kathleen, Hanifa and of course Mr. Kennedy for their outstanding leadership.

The Choral group also had the opportunity to sing before the Deputy Premier, the Hon. James Merlino as well as local member for Dandenong, the Hon. Gabrielle Williams who visited the school recently as part of the official opening of the new Learning Resource Centre and to also announce the funding for the next stage of building for Dandenong High School. The students sang beautifully and did the school and Hakea House proud.

Recently, many Hakea students participated in Dandenong High School's production of the 1986 film 'Labyrinth'. It was fantastic to see so many of our Hakea students perform in many roles be it acting, dancing, and singing or as stage crew. The House is very proud of the effort and contributions these students made to the production this year.

Our students continue to fundraise for our chosen charity – Backpacks for Kids! Students continue to raise funds, recently holding a lunchtime basketball tournament. Please support the SRC by participating in events and passing on your ideas as our SRC reps are keen to give our Hakea students their 'Voice' in what happens at school.

VISUAL ARTS SEPTEMBER

What a busy September with many students working tirelessly to finish SAC's, SAT's and preparing for practice exams. L Block has been busy with students coming and going and producing excellent artworks, all Visual Arts Students have used every opportunity to receive support by their teachers to ensure that they complete and submit their work. I always find it amazing how many students begin to realise the realities of the time and effort that is required to complete high standard artworks, the other day while walking down the stairs from L Block with a senior Visual Communication Design student they actually admitted that creating final artworks was demanding and extremely rewarding to see a vision completed, he also admitted that he found this subject more demanding than his academic subjects yet would not change it for anything. This was so pleasing to hear, the growth that students receive throughout year 12 shows real maturity, growth and preparation for the outside world as they begin their new journey for their future.

Yr11 and Yr12 Studio Arts students also attend another excursion this time they attended a lecture prior to gain knowledge and the history on the Terracotta Warriors and Contemporary artist CAI GUO-QIANG and White Rabbit exhibition. Students were amazed to have the opportunity to learn how Warriors were created and why they were created. Students also learnt about the Art Industry and what it takes to have an extensive exhibition brought to Melbourne.

To further enhance their knowledge regarding Contemporary Art students were enthralled with the simple idea and influence from one's own cultural background that such amazing work may be created. The size of Cai Guo-Qiang artworks, the techniques and materials used astonished students, the only problem now is they all want to use gun powder to create artworks, unfortunately this is too dangerous at a high school level and I explained to students this is where university will give them further opportunities to experiment with materials.

They were a little disappointed, yet understanding. Please enjoy the photos. Students also had an opportunity to view White Rabbit exhibition where they experienced to see some Chinese Contemporary artworks which was very different and on a very large scale. Some artworks were made from pages from books, while others were created using neon lights, once again our students are beginning to see artworks internationally which artists are creating today. This has given many year11 students time to start thinking of the possibilities that they can pursue next year.

DANDENONG HIGH SCHOOL

VISUAL ARTS SEPTEMBER

We have our ANNUAL VISUAL ARTS/DDT EXHIBITION coming up Term 4 including all senior students, our exhibition is not based on the best artworks it is based on student's efforts and a celebration for all students as each student develops and grows at their own pace.

As usual we will have instrumental students performing, light refreshments and not to forget our raffle draw with lots of prizes to be won.

DATE: Wednesday 16th October

TIME: 6.30pm – 8.30pm

VENUE: Melaleuca

There is no entry charge, there is only fun and enjoyment for all to enjoy. Keep this date in your diary. Family and friends are all invited to attend we hope that you can make it and say hello to the amazing Visual Arts and Digital Design Technology Team.

VCAL NEWS

INTERMEDIATE VCAL NEWS

Term 3 was a very busy term for our VCAL students. They were busy securing their Structured Work Placements and starting attending on a weekly basis, to learn more about their industry of choice. It has been wonderful to get such positive feedback from the employers during our visits. Students will continue with their placements until the end of the school year, and have gained valuable employability skills such as communication, initiative, reliability and problem-solving skills.

The focus for this term has been the local community, learning about what our local council does, as well as issues the City of Dandenong might face. They are working in groups on a specific issue and will be working with local organisations to help them. Next term, they will be contacting these stakeholders and carrying out their projects.

The highlight of the term was our trip to Camp ADANAC in the Yarra Valley. We spent 3 days and 2 nights participating in a range of exciting activities from raft building, flying fox, low ropes, hut building, beach volleyball and even a waterslide! Despite the sub zero temperature of the water, most students braved the cold and had a go! Even Miss Hipwell had her turn and Mr. Szabo took out the course record for speed! Our evenings were spent relaxing on the deck which overlooked the lake and after dinner enjoying a campfire and dancing as well as a movie night and a student-run disco. It was a fantastic opportunity for our students to relax, get to know each other better and engage in team building and leadership activities. For those students who weren't able to attend the overnight camp, they drove up for an excursion and joined us for the day in all our activities

Some of our students participate in a photography elective and had the privilege of displaying their amazing photography in an exhibition at the end of the term the LRC. This was attended by students, staff and leadership who were all extremely impressed with their hard work and talent. Zabi Z. also entered one of his photos in an Islamic Photography competition and placed in the top 5 in Australia for his photo titled 'Death of a Story'. This was an amazing achievement and we are all very proud. A huge thank you to Ms. Ellins for all her work she has put in with those students this year. Supporting this photography event was also Mrs. Sharp and the students in her food tech elective. They prepared delicious finger food to be enjoyed during the exhibition. Thank you!

LATE FOR SCHOOL?

CHILDREN LEARN BEST AT THE START OF THE DAY

If your child misses....	That Equals...	Which is...	Over 13 years of schooling that is.....
10 minutes a Day	50 minutes a Week	1.5 Weeks per Year	Nearly <u>1/2 Year</u> of lost learning
20 minutes a Day	1 hour 40 minutes a Week	2.5 Weeks per year	Nearly <u>1 Year</u> of lost learning
30 minutes a day	1/2 a Day a Week	4 Weeks per year	Nearly <u>1.5 Years</u> of lost learning
1 hour a Day	1 day a Week	8 Weeks per year	Nearly <u>2.5 Years</u> of lost learning

Support your child's success. Make sure they attend school, all day, every day!

EVERY MINUTE COUNTS!

Being late for school has a negative impact on your child's learning.

Being just 10 minutes late every day adds up to an hour a week of lost learning. Over a year this adds up to one week of school missed in a year!

Being late for class often means important instructions are missed and the class is interrupted. Your child may feel uncomfortable and on the outer with peers.

Children need to arrive on time ready to settle into their school work. Arriving at least 5 minutes before the first bell allows your child to interact with their peers and teacher and get themselves ready for their busy day.

Attending School regularly and arriving on time helps prepare children for the real world, where it is expected that they turn up to work every day and on time.

DANDENONG HIGH SCHOOL

LEARNING RESOURCE CENTRE NEWS

READ YOUR WAY AROUND THE WORLD

International Week

It's a fabulous time of year at DHS: we're celebrating International Week! The LRC is decked out in flags from all around the world and students have enjoyed finding their country's flag or telling us which ones we need to add. It's a festive touch that we hope reminds everyone who visits the library of the rich cultural background that gives our school its true character.

Our Teen Library Advisors have joined in with the celebrations. Mubina J. organised a display of country flags drawn in heart shapes that greets visitors as they come through the front doors. Laura C. and Vaishnav V. created a set of bookmarks with an international theme that have been snapped up by eager readers.

International Week also allows us to promote a growing section called "Culture and Diversity", where we showcase books that tell stories from all around the world. We want our students to be able to see themselves in our collection of books and we also want them to be able to walk in another's footsteps and to take a journey to a different culture or country through the magic of words on the page. In this way, we embrace the International Week themes of celebrating our similarities and our differences. opportunity to borrow a secret book which was wrapped as a surprise for students to take home and discover.

Victorian Premiers' Reading Challenge

This annual event is a fabulous opportunity for students to challenge themselves and to try books they might have overlooked. Each student needs to read fifteen books to meet the challenge, ten of which must come from a specific list. Everyone has a preferred genre of books they like to read, whether it be humour or fantasy, but we like to encourage students to step outside of their favourite genres and discover something new. The VPRC offers an easy way to do this.

After many months of exploring fictional places and meeting new characters, students from Years 7 to 9 have read over 8,000 books. We look forward to celebrating some of their achievements in the coming term.

Holiday reading

As the holidays approach, we encourage everyone to take a couple of books home and to make the time to escape into another world, whether it's a fantastical one, an international one, or one that's just like our own. Books can take us to another place but the act of reading has more benefits beyond enjoyment. Reading can do everything from reducing stress, to increasing your knowledge and vocabulary, to improving your focus and concentration. And all of this happens while you're simply enjoying a great book

NOW IN ITS EIGHTH YEAR THE ANNUAL CITY OF GREATER DANDENONG CHILDREN'S FESTIVAL IS CELEBRATING A SPACE THEME. WE ARE OVER THE MOON TO ANNOUNCE THAT THIS YEAR'S THEME IS 'SPACE ADVENTURE'! FAMILIES ARE INVITED TO GET THEIR SPACESUITS READY AS YOU JOURNEY INTO THIS YEAR'S EXCITING INTERGALACTIC ADVENTURE OVER THE SCHOOL HOLIDAYS. TOGETHER WE'LL EMBARK ON OUR VERY OWN TWO WEEK OUTER SPACE EXPLORATION FREE AND LOW COST EVENTS HAPPENING ACROSS THE CITY FROM 21 SEPTEMBER TO 6 OCTOBER. THE FESTIVAL FEATURES EXCITING AND INTERACTIVE PROGRAMS, ACTIVITIES, PERFORMANCES, WORKSHOPS, EXHIBITIONS AND EVENTS FOR THE WHOLE FAMILY.

DANDENONG HIGH SCHOOL

CENTENARY CELEBRATIONS 2019

Established in 1919, Dandenong High School is one of the oldest, largest and most culturally diverse Secondary Schools in the state. In 2019, we will celebrate a significant milestone not only for the school, but for education across the state with our 100th anniversary. This will be an important opportunity to celebrate the history and achievements of the school over the past 100 years.

The following recommendations have been endorsed by School Council:

- Term 2: 10th anniversary of the opening of the Houses to be recognised with a school based ceremony attend by leaders, staff, students, parents and special guests.
- Term 4: 100th anniversary to be recognised with a series of events in the week of the centenary of the laying of the Foundation Stone (21st November 1919).
 - o Thursday 21st November- a school based ceremony attend by leaders, staff, students, parents and special guests
 - o Saturday 23rd November- school based open day for the community to attend the school with displays, performances and tours
 - o Saturday 23rd November- Celebration Evening

Along with these events, there will be further opportunities to celebrate the anniversary and further details will be provided in early 2019.

Former students, staff and community members who are interested in being added to the distribution list for the Centenary Events should send their details to: dhs.centenary@dandenong-hs.vic.edu.au

You can also keep up to date via the school website under events or

- Facebook: Dandenong HS #DHSCentenary
- Instagram: @dandenong.hs
