Welcome to the Dandenong High School 1:1 Laptop Program, Preferred Device Portal

In a technologically advanced and increasingly complex global community, the vision for Dandenong High School is to provide all students with the skills, knowledge and understanding to be successful 21st century learners. Our innovative, inclusive and inspiring curriculum is supported and enriched through access to integrated learning technologies across the school.

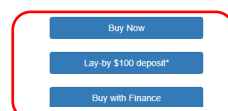

All enquiries regarding this program must be directed to the school.

Devices will be delivered directly to the address provided via Australia Post

Models and pricing subject to change without notice.

Windows Devices

BYOD

If you already have a device you want to bring in, these are the minimum specifications we recommend:

- Windows 10, Mac OS X 10.6
- Enough battery life for an entire day
- Must fit in lockers (H 34cm x W 28cm x D 45cm)
- 120GB Hard Drive or larger
- Primary device cannot be an iPad, Tablet or Chrome book etc.

Buy Now

- Click on “Buy Now”.
- You will be presented with the recommended notebook and its specs.
- Click on the name of the device to proceed.
- Select any warranty or insurance you want to purchase then scroll down to ‘Buy Now’.
- You can now ‘Add To Cart’ any Optional Extras you may want.
- Press Continue and complete the form to finalize the purchase.
